Virginia Region Pony Clubs (VRPC) does not require that members indicate their intent to qualify for Championships *before* they compete at any Rally. After each Rally, provided they have fulfilled all the qualifying criteria for USPC Championships, members will be given the opportunity to decide whether or not they intend to compete. All qualifying criteria, entry forms, and other information can be found on the VRPC web site at [www.vrponyclub.org](http://www.vrponyclub.org). The intent form can be filled out online; all other forms should be scanned and emailed or sent by US Mail to the VRPC Champs Coordinator. Payment can be either via check to VRPC or made online. A competitor's entry is complete when the following has been completed and received by the VRPC Champs Coordinator:

1. [2016 Intent to Compete & Volunteer Form](#)--complete online (*required*)
2. 2016 Polo Shirt Ordered from [BURKE SPORTING GOODS](#) use code vrpc2016 (*optional for members who already have one from a previous year.*)
3. [Chaperone Rules/Duties Form](#) (*required for ALL competitors. Chaperones will be assigned after teams are formed.*)
4. Current Coggins (*must be valid through the last day of Champs*)
5. NOTE: A Certificate of Veterinary Inspection in addition to the Coggins is REQUIRED FOR ENTRY INTO TIEC (*please keep both the CVI and a copy of the Coggins in the vehicle transporting your horse. Both must be valid through the last date of Champs! Please contact your vet to determine when the CVI should be completed; generally this is within 30 days of travel dates across state lines*)
6. Payment either online or via check to VRPC (mail checks to VRPC Champs Coordinator Leslie Wallington, 12202 Fairfax Station Road, Fairfax Station, VA 22039). NOTE: invoices will be generated once entry fees have been finalized.
7. Stable Managers will be assigned to disciplines and teams after teams are formed.
8. Eventing *only* –
  - All Levels: Qualifying Affidavits from USEA Events or USEA Rider Profile and Competition Record (*see [Goldbook](#) for details*)
  - All Levels: [Qualifying Affidavit](#) signed by TD from VRPC Eventing Rally
  - All Levels: [USEA Event Entry Form](#) with "USPC Championships" as the Event
  - All Levels: USEA membership and Horse registration--see the [USEA website](#) for more information (for BN level may pay a \$25 Beginner Novice non-member fee)

Games: \$540	Show Jumping: \$615	Tetralhlon: \$615

These fees are based on the best possible information available at this time. They include the USPC entry fee (includes stabling and tack room, but not bedding or feed room), VRPC administrative costs, the VRPC Championships Prep day July 10, Pizza Party in Tryon before opening ceremonies, VRPC pins, and coaching fees where required.
