Polo Shirt Ordering Instructions

Order Deadline July 1
for distribution at Prep Picnic on July 15

We are ordering shirts from Signet Marketing through the [Casanova-Warrenton Pony Club Online Store](#). Follow these instructions to get “Championships 2018” printed on your shirts, and to get FREE SHIPPING.

To place your order, follow the above link. The champs polos are the last 2 options in the last row of polos. Click the shirt you want to order and pick the quantity, color (navy or red) and size. IMPORTANT--to add the “Championships 2018” text to the right sleeve of the shirt, click the green “Add Special Event” button. Under “Special Event right sleeve” enter in the text box:

Then click Add To Cart. Then click View Cart. Under Estimated Total you have to enter a shipping postal code and then click Apply. At that point you can select the “Pick Up at Signet Marketing FREE” shipping method to get free shipping. Then click Check Out Now to complete your order.

For any orders placed by July 1, we will pick up the order in time for the prep picnic on July 15. Orders typically take 8-10 business days to complete, so if you are late ordering you run the risk of not having your shirts ready in time for the picnic and/or departure for champs.
