King of the One Horse Sport

Polocrosse is a unique display of horsemanship that combines the excitement of polo, coordination of lacrosse, and balanced seat dressage riding into an action packed game of skill, teamwork, and endurance. It will leave players and spectators alike wanting more every time the horses walk off the field.

Who Can Play Polocrosse?

- All ages and certifications!
- New riders that can hold a racket and steer pony independently in the arena.
- You do not need a team to get in the game!
- The Whole Family!

About the Clinician Virginia Carpenter is a C-2/HB member of Casanova-Warrenton Pony Club and has competed in all disciplines offered in the Virginia Region since she joined Pony Club in 2006. Virginia is a three time USPC Championships polocrosse competitor and has played to B grade in the American Polocrosse Association. Virginia is training 4yr old OTTB, Captain America aka "Steve". They are the first pair to complete and win the APA Crosse-Over Challenge 2018. Virginia thoroughly enjoys teaching and coaching beginners to ride, play polocrosse, mounted games, and horse management. Virginia studies National Security and Foreign Affairs at Virginia Tech and is in the Virginia Tech Corps of Cadets, Air Force ROTC.

Pony Club is Where Polocrosse Begins...

Polocrosse develops strong self-confidence in riding ability while improving hand-eye coordination. Even those just beginning their riding career can manage this game that is lots of fun and encourages the rider to improve quickly. Teamwork on and off the field cultivates lifelong friendships, sportmanship, and memories.
